

MADE TO MEASURE REPLACEMENT KITCHEN DOORS

We have one of the UK's largest selection of kitchen doors and drawer fronts. We fit made to measure kitchen doors so you can choose to reface your kitchen cupboards rather than replace them.

HOW IT WORKS

Step 1

Enjoy a free in-home consultation

Our design consultant will come to your home with a full range of door samples in a variety of colours and styles. You'll be able to customise the doors and drawer fronts to make them perfect for your kitchen design. Once you have chosen your options, we will provide you with a no obligation cost estimate.

Step 2

Check Measure

A GTT Technician will come to your home and measure up all of your doors, panels, cornice and pelmets for perfect made to measure doors and fronts.

Step 3

Ordering

Once the measurements have been taken and you are happy to proceed, we will put your order into production, and they will arrive within 12 working days.

Step 4

Quick Installation

Our GTT technician will arrange a date to come to your house and remove all of your existing doors and replace them with your brand-new ones. Each item is expertly fitted by skilled craftsmen transforming your kitchen in as little as a day. We will even take all of the rubbish and the door fronts away, leaving nothing but your beautiful new doors.

Step 5

After care

Once the transformation has been completed, our technician will advise you on the care and maintenance of your new doors, whilst you sit back and admire your new kitchen.

We project manage the entire installation process, ensuring you end up with your dream fitted kitchen with minimum disruption and hassle.
